## **1. Introduction**

### **1.1. Purpose**

The purpose of this policy is to outline the standards and expectations of uniform in St John (NSW). All members of Event Health Services (EHS) are to adhere to the expectations set out by this policy.

### **1.2. Foreword**

St John (NSW) has a long and proud history in Australia. The wearing of our uniform has gained the trust and respect of the communities in which we operate, as well as for our discipline and dedication.

It is essential that St John (NSW) continues to maintain this excellent and professional image. Our appearance in uniform is the perception the public will have of St John (NSW) and is a factor in their determination of our public image and our brand awareness. Additionally, a well-designed and well-presented uniform fosters good morale and enhances the public opinion of St John (NSW).

All St John (NSW) Event Health Services members are expected to comply with this Uniform Policy. Under no circumstances are there to be any variations or amendments to this policy without the approval of the EHS Manager, or General Manager (GM) for Events and Community Services, or Deputy Commissioner (DC) Volunteering, or DC Advisory, or the GM People, Performance and Culture.

This policy replaces previous policies and guidelines relating to Uniforms.

Questions about the uniform policy, uniform items or any matters related to uniforms should be directed to [uniforms@stjohnnsw.com.au](mailto:uniforms@stjohnnsw.com.au).

This policy should be reviewed July 2022.
